

Make Your Own Doll

Let your fashion imagination go wild!

You can make your own paper doll, color it to look like you, a family member, a friend, or anyone you like! Then create her wardrobe with the outfits and accessories on the following pages.

1. Print out this page of blank paper dolls and the two pages of accessories, pets, bases and outlined outfits that follow.
2. Customize the paper dolls and outfits with markers, crayons, colored pencils, fabric scraps, and other materials.
3. Glue a thin piece of cardboard to the back of the pages and cut out the dolls, accessories, stands and outfits you've decorated.
