SECOND DAY CALLBACKS

RUTHIE

It's not fair. Roger should be punished, too. He's a bully and he started it.

CONSTANCE

Don't worry, Ruthie. Bad guys always get caught in the end.

RUTHIE

This isn't a fairy tale, Constance. Bad guys don't always get caught.

CONSTANCE

Yes, they do. Everyone finds out the truth eventually.

(She sees a movie theatre)

Hey, do you want to go to the movies? I heard there's a Shirley Temple newsreel where they show you her doll house and a big, fairy-tale castle.

RUTHIE

No, Constance. I don't have time for fairy tales, or doll houses, or movie stars. My family is in trouble and I've got to help them.

CONSTANCE

Why? Ruthie, what's happened?

RUTHIE

Your father's bank took our house away. That's what's happened. Everything's changed now.
