

TRAVEL DIARY ASSEMBLY INSTRUCTIONS

Supplies

To assemble the printed pages of the travel diary, you'll need:

- scissors
- glue, tape, or a stapler and staples
- a paper punch
- decorative string or ribbon

Instructions

1. Trim off the edges of the nine printed pages.
2. Fold the cover in half with the blank sides facing together.
3. Fold each of the other eight pages with the printed sides facing together.
4. Glue, tape, or staple the pages together as follows:
 - the back of page 1 to the inside front cover
 - the back of page 2 to the back of page 3
 - the back of page 4 to the back of page 5
 - the back of page 6 to the back of page 7
 - the back of page 8 to the back of page 9
 - the back of page 10 to the back of page 11
 - the back of page 12 to the back of page 13
 - the back of page 14 to the back of page 15
 - the back of page 16 to the back of page 17
 - the back of page 14 to the back of page 15
 - the back of page 16 to the back of page 17
 - the back of page 18 to the back of page 19
5. On the outside edge of the diary, paper punch the two holes where marked.
6. Thread a decorative string or ribbon through the two holes, and tie the ends together.
7. Complete the travel diary by gluing or taping a cutout picture of your doll onto the cover.
