

Books that Educate, Entertain, and Inspire

American Girl books are there for girls every step of the way—as they begin to read, start school, face issues about friends and family, and dream about setting off on their own adventures. Our titles have graced the bestseller lists of the *New York Times*, *Publishers Weekly*, and *USA Today*, in addition to garnering dozens of awards from parenting groups and industry leaders.

Character Books

American Girl's character books captivate readers with stories of heart, hope, and history, and celebrate what it means to be a girl—past and present. Gentle life lessons throughout the stories remind girls of such lasting values as the importance of family and friends, compassion, responsibility, and forgiveness. Full of wisdom and encouragement, the stories show girls how to meet their own challenges with strength and courage.

Advice and Activity Books

Our contemporary books provide the insightful advice and absorbing activities girls enjoy, inspired by features in our own *American Girl*® magazine. Covering subjects from quizzes, cooking, and art projects to boys, babysitting, friends, and hair care, American Girl has sold over 17 million advice and activity books (including more than 1.8 million copies of *The Care & Keeping of You: The Body Book for Girls*) that guide adolescent girls through a wonderful and sometimes challenging time.

To address all of girls' lifestyle needs, the advice and activity books are segmented into the following categories: "Just for Fun," "Be Your Best," "Body & Mind," "Do-It-Yourself," and "Memories."

American Girl books are available at bookstores and retailers nationwide, as well as American Girl Place® in Chicago, New York, and Los Angeles; through the American Girl® catalogue; and at **americangirl.com**. For a free catalogue, call **1-800-845-0005**.
