

Bitty Baby

The Bitty Baby® line of high-quality baby dolls with storybooks, outfits, and accessories, encourages nurturing play among girls ages 3 and up. It also reinforces the value of loving relationships with family and friends. Bitty Baby is a 15-inch, soft-bodied doll available with five different skin tones and various hair and eye colors. Her tiny plush companion, Bitty Bear®, is a 5-inch honey-colored bear.

A series of interactive board books chronicles the adventures of Bitty Bear through simple verse and illustrations, focusing on lighthearted seasonal and family themes such as dressing, meals, and playtime. Each set of clothes and accessories for Bitty Baby includes a book and a coordinated item for Bitty Bear. Specially designed furniture for Bitty Baby, such as a high chair, a crib, and a changing table, is also available.

The Bitty Baby line also includes Bitty Twins®, an adorable duo of 15-inch dolls available in different combinations based on gender and hair color. The Bitty Twins feature soft, playable hair and expressive faces and come with their own hardcover storybooks, coordinating doll outfits, and accessories.
